

# EUROKE

Cover Europe

The album cover features a central collage of five band members, each framed in a diamond shape. The background is a vibrant space scene with a blue and purple nebula and a view of Earth's horizon at the bottom. The title 'EUROKE' is written in large, yellow, stylized letters at the top. On the left side, the text '1° Europe cover band in Abruzzo' is written vertically. At the bottom right, the names and instruments of the band members are listed.
